The Ministry of Information Communications and the Digital Economy through the ICT Authority will host the **Connected Africa Summit 2024 (CAS24)** under the theme, “*Shaping the future of a connected Africa: Unlocking Growth Beyond Connectivity*”.

This is the first of Africa’s Connected Summit that brings together over 5,000 high profile delegates led by African Heads of States, ICT Ministers, ICT Industry leaders, high profile Government Officials, Businesses, Academia, Global Investors, Development Partners and International organisations across Africa and beyond.

This Summit aims to highlight the relevance of the Digital Economy in driving economic growth and development. It will serve as a strategic forum to chart the course of a digitally empowered and interconnected future for Africa, setting the stage for unprecedented growth and prosperity.

This Summit is an endeavour to promote greater collaboration and fuel investment toward the achievement of Africa’s Digital Agenda 2063 and Vision 2030.
